Dear Parents/Guardians:

PEBS is a school-wide approach to proactive discipline. It is based on positive behaviour, interventions and supports. Research has shown that when students feel safe and supported at school they will demonstrate increased student achievement.

To establish a climate in which appropriate behavior is the norm, we encourage our students to take responsibility for their actions. At times, students may make inappropriate choices which may result in a consequence however it is important for students to realize that decision making is a life long process.

In accordance with our Provincial School Code of Conduct, _____ will lose their Good Standing for one of the following reason(s):
